**Cyclists TOURING CLUB**  
**SOUTH YORKSHIRE & NORTH DERBYSHIRE District Association**  
**2008** **Quest**

Welcome to the third edition of the annual Quest event organised by the South Yorkshire and North Derbyshire District Association of the Cyclists Touring Club. The 2008 competition will again have fifteen clues in total the same as last year, but the clues are grouped so that rides can be arranged around their locations.

The biggest difference between last year's event and this year is that the clues have been contributed by members themselves. Due to commitments with the Pedaller I have not had time to collect the clues myself but we can thank Ruth Packer, Elaine Bradshaw, Tony Gore, Joan and Dennis Sloney for the fifteen clues contained in this booklet. Many of the clues are in scenic locations, some have historical or an unusual significance all are designed to get you out on your bikes and to enjoy the challenge and the rides.

The closing date for the competition is **November 30th 2008** all successful quest hunters will receive a framed certificate the same as the last two years. Last year's Quest champions were Pieter Miering, Tony Gore, Paul Birch and David Howgate (Paul and David completing the event in 2006 also) congratulations to all.

Once completed could you please send your answers to:

B. Raynor, 18 Jordanthorpe View, Sheffield S8 8DY

**Good Luck and Happy Questing!**

Please note: competition open to CTC members only
